

# McLEAN WON'T BE ASSISTANT ENGINEER; COMMISSIONERS EXCEEDED THEIR POWER

## Police Department Now Up To Booth, declares Mayor

### EDMONTON CAPITAL

EXECUTIVE LOOKS FOR LIVE REFORM UNDER NEW CHIEF

Does Not Favor An Investigation If Brought About by the City Council.

NO OBJECTION IF CAUSED BY CARPENTER'S EFFORTS

Lancey Will Be Ordered to Probe the Charges Against Members of Force.

Mayor McManora appeared quite well pleased this morning after the speedy removal of the official head of the police department last night. "I have now washed my hands of the police department," said the mayor when talking this morning of the dismissal of Chief Carpenter and the appointment of A. C. Lancey as acting chief.

"I do not look for live reforms," continued his worship, "from a man who is admittedly fitted on account of his past connection with the force to clean up what I consider was a wide open town." In reply to a query as to whether or not he would now be in favor of an investigation, the mayor replied that he would welcome such a move if brought about by Chief Carpenter but not by the city council. In other words, the mayor has no objection whatever to Chief Carpenter taking the lead in his own behalf, for a probe into conditions as they exist today in the police department, but he is opposed to the city council ordering such an investigation.

Commissioner Booth had nothing further to say regarding the police department other than that he had issued instructions to the new chief to have a complete investigation into the report that police officers have recently been mixed up with women of ill-fame and that large quantities of cocaine are being sold right along in these characters.

The disposed chief, following the proceedings of last week's council, submitted a letter yesterday to the board of commissioners in which he referred to the statements that were made by the mayor and Alderman Clarke, and expressed that as these statements are damaging to his reputation as a police officer and his character as a public official, he respectfully should be afforded to these gentlemen to make good their charges.

"If the charges are not substantiated then it will be in the interest of the chief constable and every member of the department that the stigma should be removed," states the letter, which reads as follows:

"The Commissioners: 'Gentlemen: I have the honor to acknowledge receipt of your letter of even date, and in reply beg to say that the statements published in the Morning Bulletin of the 28th inst. attributed to his worship, the mayor, read as follows:

"As to the present state of the police department it is rotten absolutely, rotten to the hilt is already wide open."

"The same paper of the same issue contained the following statement: 'I know for a fact that there are members of the police force who are willing to pay money to keep their positions on the force—there are prostitutes and pimps who are being blackmailed by members of the police; two of the biggest hotels in the city are open houses of prostitution.'"

"The chief constable submitted a letter yesterday to the board of commissioners in which he referred to the statements that were made by the mayor and Alderman Clarke, and expressed that as these statements are damaging to his reputation as a police officer and his character as a public official, he respectfully should be afforded to these gentlemen to make good their charges."

"If on the other hand these assertions were fully or thoughtlessly made, they would be considered as a libel."

## CHEF'S DISMISSAL CAUSE OF PETITIONS TO COUNCIL TONIGHT

Temperance and Moral Reform League May Have One Ready When the Aldermen Meet—Another Plea For An Investigation of the Police Department is Being Signed Today.

The action of the board of commissioners in summarily dismissing Chief Carpenter last night will be one of the leading subjects for discussion at the annual meeting of the Temperance and Moral Reform league which is being held tonight in McEugene Methodist church. The president, T. H. Miller, stated today that in all probability a resolution would be passed at this meeting in time to present to the council tonight. Whether the league will ask for a public meeting to discuss this matter or still press on the city council the demand for a thorough investigation will not be known until the meeting.

## THREE HUNDRED MEN KILLED AT GONAIVES

Haytien Adherents of Senator Davila Signally Defeated by Revolutionaries—American Battleship Sill at Port Au Prince.

Port Au Prince, Hayti, Feb. 3.—Three hundred men of the rival revolutionaries were killed in their battle at Gonaives according to advices received here today. The adherents of Senator Davila Theodore were signally defeated by the followers of General Oreste Souverain, formerly government delegate at Cape Haytien. Senator Theodore and his men were driven in a northerly direction to Blauvance on the road to Cape Haytien.

## EMBARCO ON ARMS LET BY WILSON

Proclamation Issued By Taft Cancelled as Being Last Resort of President's "Moral Pressure" Policy—May Have Effect of Stopping War.

Washington, D.C., Feb. 3.—President Wilson has decided to lift the embargo on exportation of arms to Mexico. Proclamation under the authority of the congressional resolution of 1912 which will restore the status of the arms question to both Huerta forces and constitutionalists may be sent from the United States, soon will be issued from the White House.

Exportation of Arms. President Taft issued the proclamation which barred the exportation of arms on March 14, 1912. He did this under the authority of a joint congressional resolution which empowered the president of the United States to take such action whenever he should find that "in any American country conditions of domestic violence exist which are promoted by the sale of arms and munitions of war procured from the United States."

News of the decision is to be taken by President Wilson became known to day through sources which have been constantly advised of the administration's policy in Mexico. It also became known that the subject had been discussed at the cabinet meeting today.

The official announcement of the administration's purpose was made by President Wilson's secretary, Mr. Clegg, today. It is believed that President Wilson will definitely decide to restrict the exportation of arms to Mexico by the United States for the purpose of the embargo, but was in fact showing partially as the Huerta forces were enabled to get large supplies from abroad while the constitutionalists, limited almost entirely to supplies from the United States, were practically out of ammunition. It has been frequently represented to the administration during the progress of the Mexican negotiations that if the United States would permit free shipments of arms to General Carranza

MISS JANE VAN RELLIM AND TANGO GARTER

On top of all the other inventions that have come to light incident to the tango craze we now have a really modern and charmingly pretty bit of feminine apparel—the so-called "tango-garter." The new creation is intended as a first aid to those who would tango and have found the steps difficult in a dress that is not slit. As a matter of fact the "garters" are really "garters" made to increase the legs from the knees down to the ankles.

## Girl Overcome by Cocaine Admits She Drugged Self

She Also Makes No Attempt to Conceal the Fact That She Had Been Drinking With a Couple of Police Officers in a Downtown Cafe—Chief Lancey to Investigate.

Following the order of the commissioners at last night's meeting Acting Chief A. C. Lancey was in authority at the police station this morning and there was a six and six prevailing the effects of an overdose of cocaine and who was taken to the hospital. The girl was found unconscious in the Astor house Sunday night. She was taken to the hospital and is now recovering, being on her feet again today. The authorities are fairly satisfied that the girl was self-administered and there was no attempt to conceal the fact that she had been drinking with a couple of police officers in a downtown cafe the night before, although the extent of the relationship existing between the woman

## SUPERINTENDENT OF CONSTRUCTION NOW WILL BE NEW JOB

He Will be in the Public Works Department Under Saunders—Salary Will be Three Hundred Dollars a Month—Yesterday's Action is Reconsidered by the Board

Having further discussed today the appointment of A. J. McLean as assistant city engineer at a meeting held yesterday afternoon, the board of commissioners agreed that the appointment of Mr. McLean was overstepped and that such an appointment should have been made by the city engineer himself. The motion was accordingly rescinded and after some discussion Mr. McLean was reappointed to a position under Commissioner Saunders. He will in future hold down the office of superintendent of construction at a salary of \$300 a month and be under Commissioner Saunders.

While there are rumors to the effect that the city engineer was opposed to the appointment of Mr. McLean to a position in his department and that he threatened to resign, if such an appointment was pressed on him, the mayor emphatically denied this report and stated that it was entirely unfounded. He is of the opinion, however, that an assistant to the city engineer should be appointed and if such an appointment is made by the city engineer he would be quite agreeable to the move.

Most of the duties of Mr. McLean will take him outside of the office a good part of his time and especially during the construction season. The Commissioner Harrison has pointed out that last year there was a field for interests while the construction is under way and many contractors are doing work for the city. Most of the Commissioner Saunders' time can be devoted to the planning and the general management of the work and the technical work and a general outside supervision will at all times be maintained by Superintendent McLean.

J. H. Manning, one of the members of the executive of the unemployed was arrested this morning in the Salvation Army hall on Fraser avenue. A meeting of the unemployed congregation at the I.W.W. hall was called in a letter written and signed by T. H. Turnbull, chief officer. The letter requested the men to appear at the hall at 11 o'clock this morning. It was not till some time after the hour called for that the men began to appear. In the meantime Mr. Turnbull had prepared a paper with a number of questions, the purpose of this being to ascertain whether the men really wanted work and what they were willing to do. Some of the questions were: "What nationality?" "How long out of work?" and "Who quit their jobs when young Cook was arrested at the exhibition grounds?" etc.

Started the Trouble. The English speaking men were called "up first and among them was Manning, who, when the second man was asked the question, whether or not he had taken part in the strike at the exhibition grounds, shouted, "Don't you answer that question?" and this started the trouble.

Manning and a few of his friends started to tell all the men not to answer that question and by the aid of an interpreter they told the same thing to the foreigners that were present. Mr. Turnbull then asked Manning whether he was one of the unemployed and the latter replied: "Is none of your business" and was further insolent. This led to his arrest. The conversation with a Capital reporter, Mr. Turnbull stated that he was through with those gathered at the I.W.W. hall and that he could assume no further responsibility for these men as it was shown that they were not anxious to get work.

Yesterday Mr. Turnbull sent word to the I.W.W. headquarters, that their executive appear at his office, where the three members, Manning, King and Fraser appeared at his office he offered the job to was Fraser, the latter inquired what kind of work it was and what the wages were. Mr. Turnbull replied that it was bush work and that the wages were \$36 per month and board. Fraser then replied that he did not know anything about bush-work but that there were men at the I.W.W. hall who were experienced and would likely take the job.

Also Turned It Down. King was the next, and the job was offered to him but he also stated that he knew nothing about the work and further, he was married and could not accept the job. When Manning was asked if he wanted work, he replied that he had a job and that he didn't want this. When asked what the job was that he had, he replied: "It's none of your business what I'm doing." Most of the members of the unemployed who are staying at the I.W.W. headquarters, were taken to the office yesterday afternoon and wanted beds. As the crowd was so large and as they refused to leave the office the relief officer called a couple of policemen who turned them out. Later the men returned again but the police officers called a couple of policemen who turned them out. The search is being continued.

Manager Stark Improving. J. W. Stark who for almost two months has been laid up with blood poisoning was at his office in the civic building for the first time yesterday afternoon. Mr. Stark has recovered considerably as a result of his illness and is still in a rather weak condition. He expects to be able to spend some time at the office each day to take care of the business of the association.

## FILM OF EARTHQUAKE CATASTROPHE SEEN LAST TIME TODAY

A mistake was inadvertently made in the theatrical advertisements which intimated that the film "Jack and the Beanstalk" was to be shown at the Empress. The 28th "Trembled," at the Empress. The first production of the San Francisco catastrophe, "When the Earth Trembled," is at the Empress, not the Bijou, and will be seen for the last time today, and the pattern of the first street photo play house will be for the last time today "Jack and the Beanstalk."

# Dominions and Eskimos Meet in First Brackman Ker Game at the Arena on Wednesday Night

## LATEST SPORTS FROM HERE, THERE, ALLOVER

## SPORT

## HOCKEY, BASEBALL, RING, BASKETBALL, FOOTBALL

Edited by Cliff Dunham.

### Calgary and Edmonton News Boys Hustlers to Battle for Hockey Honors Next Monday Night

#### ESKIMOS AND DOMINIONS WEDNESDAY CENTRALS HAVE FORFEITED GAME

First Game of Brackman Ker Series Will Be Staged Wednesday Night Between the Two Old Rivals—Will Be "Some Game."

The welcome news was flashed to the city from Calgary last night that the Centrals were willing to forfeit the game which was to have been played with the Dominions here Wednesday night. "Everything is lovely, and the game hangs high" and there is joy in the local hockey camp.

Any chance the Centrals ever had at the inter-city championship have long since slipped by, and as a drawing card they are less than nothing. So it is well that their management had seen fit to comply with the requests of the local managers, who no doubt have strained every effort to have the game dropped.

And now all eyes will be turned to the grand contest that is sure to follow the meeting of the Eskimos and Dominions. Was it not a great battle they fought some two weeks ago?

**MUCH HOCKEY TO  
BE PLAYED THIS  
WEEK AT ARENA**

Varsity-Pennant Games Friday Night Will Be Big Drawing Card.

**ARE TIED FIRST PLACE**  
Intermediate Division Also Has Tie—Will Be Played Off Friday.

Friday night's hockey game between the Pennants and Varsity ought to be a dandy. This teams are tied for first place in the Northern Provincial league. Varsity have improved during the last couple of games and will make the Pennants go home to beat them. The tie game of a week ago has still to be played off. Both these games should extend the season to last night. There is a movement on foot to have the games played at the arena, and this is a move in the right direction, as the players would then have an opportunity to show their real class. The smaller rink on the south side does not give either team the best opportunity to extend themselves. The arena would. Here's hoping the Pennants go home to beat them.

**Bout Was Postponed.**  
New York, Feb. 5.—The bout to have been held here Thursday, Feb. 12 between Paddy McFarland of Chicago and Mike Gibson of St. Paul was postponed yesterday until the first week in March.

Just which of the teams is the better is still a live question for discussion. There is no doubt about it, they are both grand teams. In their last contest the Dominions had all the better of the first half, but the Eskimos came back and played the green and white to a standstill in the second period. So there you are. "You can pay yer nickel and take yer choice."

A record crowd for the province saw the last battle between these two teams, and a still larger crowd is very likely to be on hand for Wednesday night's game. The series is for the Brackman Ker cup, and it is a safe bet that the destiny of the silverware will be in doubt up to the last minute of the last game. Both teams are in the last possible shape, and eager for the fray.

The plan is open today at Dechen and McNeill's tobacco store, corner of McDougall and Jasper. You'd better get your seats early, or you may have to pay a week's salary for standing room.

#### KNOCKING OVER THE 10 PINS AT OLYMPIC ATTEMPTS

At the Olympic bowling alley last night the Capitals took a fall out of the Albertas. In fact, they took two falls, as they won two out of the three games. The Albertas took the first, but never had a look-in after that. Blouin was his best aggregate man with 231. Wilberforce chased him close with 223 aggregate. There were very few players rated over the 200 mark, although seven managed to total over the 200. Following are the scores:

Blackett	209	164	140	513
Adams	177	168	182	527
Pratt	162	112	160	434
Kroft	162	188	160	510
McCallum	146	161	140	447
Totals	518	791	742	2051
Capitals—				
Blouin	142	121	126	389
Holston	126	182	129	437
Mohr	166	162	197	525
Wilberforce	181	181	166	528
Blouin	146	175	211	532
Totals	557	827	812	2196

**The League Standing.**

Albertas	W. 1	L. 2	Pct. 33.3
Capitals	6	8	.429
Olympics	4	2	.667
Edmonds	2	2	.500
Wanderers	1	5	.166
Athletes	1	5	.166

**WOLGAST OFFERED  
BOUT AT WINDSOR.**  
Windsor, Feb. 5.—Ad Wolgast, former lightweight champion, whose recent victories over Charlie White and Joe Rivers, secured him a place as champion of the ability he had as champion until a surgeon's knife stopped him, may fight Paddy Drouillard here February 18.

Promoter Glasco, this afternoon agreed to pay Ad the same amount of money he paid Paddy McFarland, which is more money than any fighter ever got in the local arena.

**The Big Wrestlers Meet.**  
Louisville, Ky., Feb. 5.—Charles Cutler of Chicago defeated Tom Matzloff, the Russian, here last night in straight falls.

In the second match, Wladex Zlyozko defeated John Friberg in straight falls.

#### SENIOR BASKETBALL GAME TONIGHT AT "Y."

Arrangements have been made at the Y.M.C.A. whereby the senior basketball team will stage exhibition games every Tuesday night from 8:15 to 7. Tonight will be the first of the series and the Theologians from Alberta college will be their opponents. The idea of the games is to provide good basketball for the senior team in shape for their game with the Calgary bunch, sometime soon. Everybody is invited to witness these games.

#### MONARCHS DEFEAT WINNIEGOS 7 TO 4

They Are Now Within One Game of the Victorias—Game Wsa Fast.

Winnipeg, Feb. 5.—The Monarchs' longest place and while the game of the Victorias for the leadership of the Winnipeg amateur hockey by defeating the Winnipeggers here last night by the score of 7 to 4, after one of the most spectacular contests of the season. The game was played at the Amphitheatre, the home of the Monarchs, and the king's crown showed remarkable speed when they finally opened up in the second half and broke 2 to 3 by scoring two goals in the last five minutes. The Winnipeggers stepped down and tallied once and the teams then fought for nearly 20 minutes in a goalless tie. The Monarchs had the finish and annexed two goals in the closing minutes of play.

The game opened slow and rather rugged but lived up in the second half until the players nearly turned up the ice with their speed. The Winnipeggers had the edge on the play in the opening session but could not get better than a tie of 2 goals each and in the final period the Monarchs took advantage of openings to work in some nice two man combinations which resulted in goals. Maxwell and Marples starred for the winners while Andrews and Turnbull were much in the line of light for the losers.

Winnipeg	Position	Monarchs
Turnbull	Goal	Stuart
Andrews	Point	A. Irwin
Maxwell	Cover	Rever
Edmonds	Defender	Delier-Bivins
Murphy	Defender	Maxwell
Munro	Defender	D. Irvine
Morton	Defender	L. Wing
Reidy	Defender	Marples
	Defender	R. Wing
	Defender	Hay

**"Gunboat" Smith.**  
The world's white heavyweight champion was the cause for the long line-up to secure tickets at the Panlucas yesterday afternoon and evening. The Gunner was the last to appear on the bill, and he received a good hand upon his appearance. "Gunboat" is an artist at slipping the rope, but fell down somewhat at his last performance. The three rounds with his sparring partner were tame affairs, so far as boxing was concerned. Of course "Gunboat" is not there to box; he's there to be seen, and he's got a well-built figure to gaze at, too. He stands six feet one inch and weighs at present about 185. Many remarks were heard after the performance to the effect that the gentleman was not the genuine "Gunboat," but take it from us, gentlemen, he's the real thing, and would you work any harder for \$1,500 a week?

#### ESKIMOS CAPTURE SECOND PLACE IN INTER-CITY LEAGUE

By Defeating Chinooks Last Night 8 To 6, Are Now Safe For Second.

**CHARLIE REID STARRER**  
Game Was Clean and Fast—Shorty Campbell Refereed.

The Edmonton Eskimos last night got a strange hold on second place in the inter-city league, by defeating the Calgary Chinooks in the southern city 8 to 6. The Edmonton team had all the better of play, until the last few minutes, when they "cued up" and allowed the Chinooks to notch three goals in six and one-half minutes. The half time score was 2-2 for the winners.

Resuming play in the second half the Edmonton team in three straits and had the Chinooks on the run, until nearing the end of the contest they let up, and Reid let three go by. "Bully" Lorne made a bit by his splendid back-checking, but cut loose all evening and scored three times. Jimmy and Neil Sutherland were going great with their combination and both got into the scoring column. The Edmonton defence was well. McFarland and Duncan working effectively against the Chinooks' forwards. Charlie Reid was a bit played one of his best games this season, and until near the end of the game was very hard to score on. Shorty Campbell and Wilfred Forbes acted as referee and judge of play, each taking a half.

Edmonds	Position	Chinooks
Reid	Goal	Borcham
McFarland	Point	Mulish
Duncan	Defender	Bishop
Lorne	Defender	Rover
McQuarrie	Center	McQuarrie
J. Sutherland	Defender	McIlhenny
N. Sutherland	Defender	McGrath
Dea	Defender	Gordon

#### WITH THE CURLERS

**Capital City Results**  
Beals 12, Charlesworth 10.  
Mossie 11, McGeorge 10.  
DeVine 15, Mountfield 22.  
Chattell 12, Eech 10.  
J. Gillespie 13, Pearson 10.

#### COAST TEAMS MAY PLAY HERE

There is every possibility that Edmonton will be offered the opportunity of seeing some professional hockey here this winter. A letter received at this office yesterday from the coast states that it has practically been decided that the two teams that do not win the coast league championship, will tour Alberta, Saskatchewan and Manitoba, and play exhibition games. The three teams in the coast league are Vancouver, New Westminster and Victoria, and at the present time Vancouver leads by a narrow margin, and it is yet more guess-work to say who will finally win the championship, but no matter which two of the teams are defeated, it can be assured that in a four through these provinces to the east, exhibition games between the two teams would draw large crowds, as the brand of hockey they put up is far ahead of anything ever seen in this city, and on the teams are men who are recognized throughout the Dominion as leaders of their profession.

#### BROWN THREW NEDEAU TWICE

A small crowd witnessed a good wrestling match Saturday night between Young Ted (Chuck) Brown and Kid Nedean. Brown secured the first fall in 17 minutes, and the second in 15. Curley Rhue, ex-trainer of the late Stanley Ketchel, refereed. The bout, Brown will give Nedean a return match in the near future. A good boxing and wrestling match preceded the main event. The performance was staged in the Moose hall.

#### BOYS BASKETBALL LEAGUE AT Y.M.C.A.

Second Section of Intermediate League—Five Teams in League.

Feb. 2—Oxford vs. Harvard, 9 p.m.
3—Yale vs. High School, 8:00.
7—Medicals vs. Oxford at University.
10—Harvard vs. High School, 9:00
12—Medicals vs. Yale, 8:00.
17—Medicals vs. Harvard, 9:00.
20—High School vs. Oxford at High School.
21—Oxford vs. Yale, 8:00.
24—Medicals vs. High School at the University.
21—Harvard vs. Yale, 9:00.
24—Oxford vs. Yale, 9:00.
6—High School vs. Yale at the High School.
11—High School vs. Harvard at the High School.
14—Medicals vs. Yale at the University.
17—High School vs. Oxford, 9:00.
19—Oxford vs. Yale, 8:00.
20—Medicals vs. Harvard at the University.
24—Harvard vs. Yale, 9:00.
Medicals vs. High School at the High School.

#### NEW YORK FLINN WINS ANOTHER.

New York, Feb. 5.—Porky Flynn of Boston knocked out Geo. Roehl, the Boer, in the fifth round here last night. Flynn weighed 150 and the Boer was a pound lighter.

#### Highlands Results

In the semi-finals of the Alberta Lumber Trophy, Ash defeated McGrath by a score of 12 to 8.

#### Royal Bank Results

G. A. Yanner 11; F. Yanner 10.  
Airth 8, Scott 7.  
Garrison 6, Anderson 15.  
Dickson 12, Simpson 11.  
Rix 10, Moffat 8.  
Rae 5, Rae 10.  
Moir 9, Field 10.

#### Snow-Shoe Hike.

A goodly number of the Edmonton canoe club members participated in a snow-shoe and ski hike to their clubhouse at St. Albert last Saturday afternoon. The day was ideal and every-day enjoyed the outing to the fullest extent. All those present voted the day a huge success, and are looking forward to future trips of the same kind with keen anticipation. There is considerable talk of holding a race on snowshoes and skis over the route in the near future, and if this materializes several prizes will be offered. It becomes those interested in this line of sport to get busy and practice up, as some of Saturday's crowd will require considerable heating when there is a race on and good prizes to be won by extending themselves.

#### NEWSBOYS' HUSTLERS HOCKEY TEAM WILL PLAY CALGARY TEAM HERE SOON

Hustlers Are Winners of Independent League—Proceeds Will Go to Start Newsboys Club and Newsboys' Band.

On Monday, February 9 the Edmonton News Boys Hustlers will meet the Calgary News Boys Hustlers at the Arena rink. The local team are winners of the Independent League, having won six straight games and no defeats. They are really a wonderful team of hockey players, and will make any team of equal weight in the province go the limit. They have yet two games to play, and should win both of them. The boys are all fast skaters and nifty stick-handlers, and will be the making of the Edmonton senior teams in years to come. The proceeds of the game next Monday will go towards starting a News Boys' home club, and it is their intention to organize a News Boys' band of 57 pieces, with a 14 piece bugle and drum band.

#### HOCKEY SCORES

Eskimos 8, Chinooks 6.  
Monarchs 7, Winnipeg 4.  
Stratford 6, Clinton 4.  
Albion 2, Starns 1.  
Berlin 4, Preston 4.  
Orillia 7, Gravenhurst 2.  
Toronto Vias 8, Newmarket 2.  
Cobourg 5, Belleville 3.  
Dunville 5, Niagara Falls 2.  
Toronto Rowing Club 4, Midland 2.  
Johnny Kilbane Was Forced Limit.  
Philadelphia, Feb. 5.—Although he was knocked down in the first round Eddie May of Allentown made a strong showing in his six-round fight here last night against Johnny Kilbane, the featherweight champion. May forced the fighting in the succeeding rounds and the champion was obliged to extend himself in the final round to prevent a popular decision against him.

#### TODAY IN PUGILISTIC ANNALS

1811—Ben Caunt defeated Nick Ward in England, and received a belt emblem of the title. Nick was a brother of the great Joe Ward, who held the championship from 1825 until he retired, undefeated in 1838. Dead Burke, Nick Ward and Ben Caunt then claimed the championship. Bendigo, another aspirant, eliminated Burke. Then came the final between Caunt and Bendigo. Caunt won by a technical triumph. About four years later Caunt and Bendigo fought to determine the championship, and Bendigo was the victor. Caunt was a giant in stature, while Bendigo was much smaller, but a great ring general and a born acrobat. Caunt would have won the fight and the title had not Bendigo's supporters started a riot at a critical moment, enabling Bendigo to recover.

#### 1906—Alte Attel defeated Tommy Foy in 12 rounds at Baltimore.

1912—Jimmy Clabby defeated George Brown in 10 rounds at Milwaukee.

Maracabo's 1912 foreign trade amounted to \$12,086,452, compared with \$18,535,685 in 1911.

## Commissioners Hold Meeting and Remove the Head of the Department—Harrison and Chalmers Oppose, and Booth Says he Acted on Recommendation of Mayor

The climax to the rapidly occurring events that have been taking place since the new city administration assumed office, came yesterday evening, when Mayor McNamara moved in commissioners' meeting that Chief of Police Carpenter be dismissed from the force. The motion was seconded by Commissioner Saunders, supported by Commissioner Booth and opposed by Commissioners Harrison and Chalmers. Following in quick succession another motion was moved by Mayor McNamara that former Chief A. C. Lancy be appointed as acting chief. There was no opposition to this motion. The commissioners were in session during the afternoon on the estimates and shortly after 5 o'clock, before adjourning, several routine matters came up for discussion. Then a letter from the chief was read in which he set out a number of the reasons why he had asked for a judicial investigation into his department.

When this letter was read to the board Mayor McNamara stated that he did not see any reason for an investigation, and did not believe it could possibly do any good. He told the board that he was familiar enough with the department to know that it

## Another Case of Blood Poisoning

Persisted in pining for corn with a razor. Foodish when cure 2 to 3 painless and sure with Putnam's Corn Extractor. Use Putnam's only—it's the best—guaranteed and painless, price 25c at all dealers.

back again today for the balance of his personal papers.

The new chief walked around several of the departments at headquarters last night before leaving for home. Naturally, there was a considerable amount of excitement when it became known among the force that events of such moment had happened in such a short space of time. The question as to whom the chief will remove in the clean-up, which the administration is pledged to, naturally was the main topic of discussion among the rank and file of the department.

**Booth Makes Premises.**

That there will be a determined effort made to clean up all gambling dens in the city was the announcement made by Commissioner Booth at the following removal of the chief last night. He went further and said that the men and women who are making a livelihood by the practice of immorality will be chased out of town as fast as they can be located. He promised that there would soon be a big change in the city as a result of the clean-up which he promised.

Chief Lancy stated also that this would be a wide open city, and was surprised to learn that this impression seems to have been given, some publicity. He then referred to his former record and suggested that it should be sufficient guarantee to the citizens that he will do his best to see that the city is cleaned up and that the "lid" is kept on in future.

Following the removal of Chief Carpenter, Thomas H. Miller, the president of the Temperance and Moral Reform league, talking in strong language of the action of the mayor and his supporters in this their latest move. Mr. Miller characterized the removal of the chief as a "scandalous shame" and suggested that there should be a public meeting of citizens to rise up and make strong protest. He then stated that on the petition of 30 ratepayers the mayor could be compelled to call a public meeting.

**Will Circulate Petition.**

It was his intention to get the petition in circulation this morning. The petition would then be presented to the council at the regular meeting tonight when that body would have opportunity to express its position in the matter.

In discussing the general condition of the city Mr. Miller said that he did not know all the facts, but he could see things were no worse now than a year or two years ago. Mr. Miller said that the chief is certainly entitled to an investigation because as the situation now stands he is either branded as incompetent or as "standing in the way."

Referring further to the action of the mayor in moving for the summary dismissal of the chief, Mr. Miller said that "off his own bat." In spite of Commissioner Booth, Mr. Miller said that he was convinced of his integrity and was quite willing to give him a chance.

## SOUTH SIDE NEWS

The Royal Black Preceptory will hold a special meeting tonight at eight o'clock in the Orange hall, south side, behind the public library. Refreshments will be served.

The choir of Knox Presbyterian church, south side, is planning to render the "Hosanna" at a grand musical concert given by them on Tuesday, February 24.

The Young People's Guild of Knox Presbyterian church have adopted a novel scheme in their Sunday church collection. The idea is that their contributions to the collections shall be placed in blue envelopes, that they may be kept separate and placed to the credit of the guild.

E. Ellithorpe, charged with burning down his own house on the south side, was yesterday committed for trial by magistrate Howes. The local agent of the British Crown Insurance company gave evidence, and stated that the house had, on the 24th of November, been insured for \$700, and its contents for \$150. J. F. Proket, who was previously committed for trial on the charge of having set fire to the same house, was the star witness and from a trunk which had been found stored at the Twin City Transfer brought forth a large and varied array of household and personal effects, which Mrs. Ellithorpe had packed for safety before the fire. In the trunk were clothes, dishes, glassware, pictures and dozens of other articles, before Proket was through he had taken spread all over the courtroom, upon tables, upon chairs, and around the floor.

R. G. Cogswell, the prosecutor for the case, who has been on a short trip in the country north of Athabasca Landing arrived back Saturday afternoon.

Mr. Lewis reports that the influx of settlers is unchecked in spite of cold weather and large numbers of teams are freighting out of the Landing to the north country.

**S.O.S. Business Meeting.**

The Sons of Scotland association will hold their business meeting for the current month on Thursday evening, the 5th inst., in the Mechanics' hall, Third street, starting promptly at 8 p.m. The brethren are requested to make a special effort to be on hand at the hour appointed, as on the conclusion of business the meeting will be made open to friends, and Bro. R. MacKenzie will give a short talk, presenting some reminiscences of his recent tour to Scotland.

**Shrimers to Hold Dance**

The Edmonton Shrimers' club will hold a dance and card-party at the McKay avenue school on Friday evening, February 6th. Tickets are secured from the president F. S. Watson or from members of the committee on application.

## WILL OPEN RICH MINERAL AREAS

C. N. R. Goose Lake Branch Means Much to Province of Alberta.

## GREAT COAL PRODUCTION

Famous Brazeau Collieries Will Be Tapped by New Line.

Interest much wider than usually follows the inauguration of a new branch line of railway, attends the announcement of the Canadian Northern that it will commence a train freight service on its new road into Calgary, Canada, shortly. The line is an extension from Saskatoon in Saskatchewan to the most productive portions of Saskatchewan and Alberta to Calgary. East of Calgary in Alberta another C.N.R. line, which cuts north through rich coal and agricultural areas to Edmonton the Rockies. Portions of both lines have been in operation for some time, and rapid development of the whole area served has taken place.

Speaking of the territory near Edmonton, Mr. T. D. Green, Dominion land surveyor, said that the line "That besides probable oil and other mineral wealth there is to be found in the rich land area—the famous 'Brazeau' fields, to which the Canadian Northern is now finishing its line."

Coal users of the continent will be surprised to know that in 1912 Alberta surpassed British Columbia in point of coal production, mining 3,240,577 tons compared with 2,885,000 tons in the report of the department of mines for 1912 Alberta produced 23 per cent of the total Canadian production, which includes lignite, bituminous coal and the only anthracite mined in Canada, the output of which was 16,688 tons.

The drive of the New Year's morning of the last spike connecting up the Port Arthur-Saskatoon branch of the Canadian Northern is taking on new significance in Alberta, as it means that the manufacturers in the east have another route by which they may ship their wares to Calgary and many other new points in that province. And the fact that its gradients are so favorable should act as an incentive to shippers to use this new line, the standard being so high that it is possible for C.N.R. locomotives to haul the maximum tonnage across Canada. Taken all in all the C.N.R. is rapidly becoming a decided factor in the handling of the freight of a rapidly expanding country.

**HOMESTEADER MEETS WITH NASTY ACCIDENT ON NORTHERN TRIP.**

Myron Stewart, formerly of Vancouver, but now a settler near Lake Saskatoon, in the Grande Prairie district, left Edmonton for his farm last week, going via Edmonton, but is now back in the city, having been injured in a fall from a horse. Mr. Stewart, who is 35 years of age, was riding a horse when he fell from the back of the horse, and was injured. He was taken to the hospital and is now recovering.

**Post Office Returns**

The official figures from the post office show large increases in all departments but one, for the month of January.

## Our Magnificent Showing of New Spring DRESS FABRICS Is Being Highly Praised

WOMEN who have accepted our invitation to come and see our advance showing of new suitings, coatings and dress fabrics in the new 1914 weaves and colorings seemingly can't find words with which to express their delight and admiration, at the wonderfully varied exhibit. Once make a visit of inspection and whether you buy or not, you'll ever afterwards feel confident in accepting Johnstone Walker's assertions concerning new goods, etc. at face value. Whether you are planning a new suit, coat or dress for street or party wear you owe it to yourself to see these lovely new importations. Many of which are exclusive with us in this city.

## A Splendid Selection in New Spring Suitings at \$1.00, \$1.25, \$1.50, \$1.75 and \$2.00 Yard

In this price range women will find almost every new and desirable weave and color for the fashioning of a smart stylish new spring suit or coat. All wool Scotch tweeds, diagonals, broken plaids and the stunning new shepherd's checks which have already taken the lead. They are 54 inches wide and have all been imported from the old country at big savings to you. Priced—\$1.00, \$1.25, \$1.50, \$1.75 and \$2.00 Yard

## New York's Novelty Weaves for Dresses and Party Gowns at \$1.25 to \$1.50 Yard.

They are the very latest productions from a noted New York manufacturer and have taken large fashion centres by storm since being placed on the market a few weeks ago. Worthy of special mention are broadened silk moire, broadened crepes, and broadened raitines in soft flimsy clinging weaves, specially suitable for street dresses or party gowns. 40 to 44 inches wide. Shown in a selection of 30 new shades. Price, per yard—\$1.25 to \$1.50. See them in the window tonight.

## Our Splendid Showing of Women's and Misses' NEW SPRING SUITS is Satisfying all Demands

NEVER HAS THERE BEEN a season when every woman's taste or fancy for a new spring suit could be supplied more readily than from our present comprehensive collections. Everything of special merit in the new materials and styles has been carefully considered in our selection. And, in fact, the fashion has gone to two extremes in the fashioning of the coats, viz.: a three-quarter length with spoon shaped back in fancy trimmed and strictly plain tailored short styles (for business wear) we are showing both. There is something distinctive in every style and many are shown in exclusive models.

**At \$32.50:**  
Plain Tailored Suits of fine French Serge, navy or black; Coats 25 inch length, with square cut back and cut away fronts, with tailored collar and revers, plain sleeves, lined throughout with skinner suit; Skirt in three gored style, trimmed with a deep tuck extending across the front and reaching to the hip in the back, giving the two tier effect. Price ..... \$32.50

**At \$35.00:**  
Stylish Suits of navy or black, wool Bedford cord, 26 inch coat, slightly cutaway, lined with grey skinner suit, with neat tuck over the shoulder, tailored collar and revers, plain sleeves and breast pocket, and home button fasteners; Skirt, two piece style, with two plaits on each side of centre front, and gathered back at the waist line. Price ..... \$35.00
